

*Poor nutrition is the biggest threat to an older adult's independence... and sadly, it's entirely avoidable.*

For this and many other reasons, we are highlighting **two** major nutrition programs available for older adults in Dane County. The meals provide 1/3 of the RDA (recommended daily allowance) and DRI (dietary reference intake) for older adults. These meals provide protein, vegetables, fruit, grains, and milk. They follow the dietary guidelines for older Americans. The menus are approved by a Registered Dietitian.

## Eat in or Out!

Inside this brochure lists locations older adults age 60+ can visit to have a well balanced meal on a donation basis. The benefits of this program include:

- Balanced & nutritious meals
- Wide variety of food items
- Supportive services
- Company to share the meal with
- Activities before/after the meal
- Door-to-door transportation
- Increased flexibility & movement

Home-delivered meals are also available for eligible older adults throughout Dane County on a donation basis. The meals are delivered by a volunteer who also provides a safety check for homebound seniors.

## Nutrition Counseling

One-on-one nutrition counseling is available to older adults seeking information on ways to improve their overall health. Older adults (age 60 and older) who reside in areas served by Dane County's Senior Nutrition Program are eligible to meet with a Registered Dietitian to discuss nutrition-related questions or difficulties. While there is no charge for this service, donations are always welcome.

### Common Topics Include:

- Diabetic Diet
- Unintended Weight Loss
- Heart Healthy Diet
- Taste and Smell Changes
- Poor Appetite
- Parkinson's Disease
- Difficulty Chewing or Swallowing
- Basic Nutrition for Older Adults
- Constipation
- Acid Reflux
- Cooking for 1 or 2

*NOTE: Counseling solely for desired weight loss will not be approved for this service unless accompanied by a doctor referral.*
