Feedback from presentations

- AODA – Who will be responsible for childless adults after their 4 years of eligibility are up?
- CYF – There are increased AODA/MH needs in the JJ population.
- ACS – We need an integrated service system for AODA/MH.
- ACS – There is a desire to have more services for people leaving Jail/Prison.
- ACS – There are pressures to use DCDHS funded inpatient hospitalization as locked preventative detention for individuals deemed potentially dangerous, regardless of treatment need.
